Professional Summary

Product Designer with engineering depth and proven ownership in live product environments. Led UI/UX evolution for a real estate platform with 500+ users, built scalable design systems, and streamlined frontend workflows for reusable components. High-impact leader, coordinating 5,000+ attendee tech conferences with Tier-1 sponsors and national media coverage. Known for translating ambiguous requirements into intuitive, user-centered products. Strong trajectory toward product leadership.

Education

Instituto Superior Técnico — Lisbon, Portugal

M.Sc. in Computer Science — Interaction & Visualization, 2024–Present

B.Sc. in Computer Science, 2020–2024

Professional Experience

Product Design & Frontend Engineering Intern — nextflat CH, Sep 2025–Present

Zurich, Switzerland (Remote)

- Owned UI/UX strategy for live platform with 500+ users; transformed early-stage interfaces into production-ready products
- Built atomic design system and reusable frontend components (CSS modules), improving dev efficiency
- Redesigned core flows (homepage, dashboards, feed), improving usability and consistency
- Primary design decision-maker within engineering team, aligning business goals with user needs

Front-End Developer Intern — Sky Portugal, Jul 2024–Aug 2024

Lisbon, Portugal

- Designed internal STB device management system, reducing onboarding time from days to hours
- Implemented automated workflows and structured data exports for all operational teams

Leadership & Extracurricular

Coordinator & Multimedia Member — SINFO, Mar 2022–May 2025

Lisbon, Portugal

- Led Portugal's largest free tech conference (5,000+ attendees, 85+ partner companies), securing Tier-1 sponsors (Oracle) and national media coverage (CNN)
- Directed cross-functional teams, optimized attendee experience, curated speakers, and managed prize selection

Head of Human Resources — Diferencial IST, Mar 2022–May 2023

Lisbon, Portugal

- Established recruitment and onboarding processes for 20+ member team, improving efficiency and retention

Projects

SageBook — **End-to-End UX (SwiftUI)**: Led UX research, prototyping, and SwiftUI implementation for a gamified reading app.

CottageTunes — **SwiftUI Music App**: Designed and implemented custom UI components and advanced search for iOS app.

Clicky Companion — **Mental Wellness App**: Rapid prototyping for mood-tracking app with user-centered micro-interactions.

Technical Skills

Product Design: UX Research, Interaction Design, Prototyping, Design Systems, Information Architecture, Usability Testing

Design Tools: Figma (Expert), Adobe Illustrator, Photoshop

Frontend: React, SwiftUI, UIKit, HTML5, CSS3, JavaScript, TypeScript

Tools: Git, REST APIs, CMS Platforms, Python, Java

Certifications

Enterprise Design Thinking Practitioner & Co-Creator (IBM)

UI/UX & Figma Specialization (Udemy, Le Wagon, Accenture)

Web Developer Bootcamp (Udemy)

Languages

Portuguese (Native) • English (C2) • French (B2) • Spanish (B1)
